

Haul Away Me Johnny Oh!

Talk about yer harbour girls
and "Round the corner Sally"

Away haul away. Haul away me Rosie

Away haul away. Haul away me Johnny oh

But they wouldn't go to sea
with the girls of Doodle Alley.

Away haul away. Haul away me Rosie

Away haul away. Haul away me Johnny oh

King Louis was the King of France
before the revolution,
But the people cut his head off
and it spoilt his constitution.

Well now we're leaving Liverpool
bound for the Bay of Mexico,
I thought I heard the old man say,
"It's time for us to roll and go."
