

## Herzogin Cecile

(Ken Stephens)

Sailing down the Baltic, where the wreck mark buoys all peal,  
*She's the mighty sailing ship the Herzogin Cecile*  
Cruising in the Channel, where the steamers never yield  
*She's the mighty sailing ship the Herzogin Cecile*

*Herzogin Cecile, Herzogin Cecile*  
*She's the mighty sailing ship the Herzogin Cecile*

Runnin' east below the Horn where the mighty sperm whales squeal  
*She's the mighty sailing ship the Herzogin Cecile*  
Off The Falkland Islands, where the albatrosses wheel  
*She's the mighty sailing ship the Herzogin Cecile*

*Herzogin Cecile, Herzogin Cecile*  
*She's the mighty sailing ship the Herzogin Cecile*

Now she's Falmouth bound her passage time's revealed  
*She's the mighty sailing ship the Herzogin Cecile*  
A shipload in her hold, the pull again she'll feel  
*She's the mighty sailing ship the Herzogin Cecile*

*Herzogin Cecile, Herzogin Cecile*  
*She's the mighty sailing ship the Herzogin Cecile*

She's run upon the Bobtail, in the mist - a test of steel  
*She's the mighty sailing ship the Herzogin Cecile*  
She's hard aground in Sawmill Cove, the rocks have broken her keel  
*She's the mighty sailing ship the Herzogin Cecile*

*Herzogin Cecile, Herzogin Cecile*  
*She' was the mighty sailing ship the Herzogin Cecile*
