

## Won't You Go My Way

I met her in the morning  
Won't you go my way?  
I met her in the morning  
Won't you go my way?

In the morning bright and early  
*Won't you go my way?*  
I loved that young girl dearly  
*Won't you go my way?*

She spent my money freely  
*Won't you go my way?*  
She grabbed the lot, or nearly  
*Won't you go my way?*

I asked that girl to marry  
*Won't you go my way?*  
She said she'd rather tarry  
*Won't you go my way?*

Oh marry, never tarry  
*Won't you go my way?*  
Oh marry, never tarry  
*Won't you go my way?*

And now that I am married  
*Won't you go my way?*  
I wish that I had tarried  
*Won't you go my way?*

O Julia, Anna, Maria  
*Won't you go my way?*  
O Julia, Anna, Maria  
*Won't you go my way?*

So round he up so smartly  
*Won't you go my way?*  
I'm Jack! Me bleedin' hearties  
*Won't you go my way?*

I met her in the morning  
*Won't you go my way?*  
I met her in the morning  
*Won't you go my way?*
