

LEAVE HER JOHNNY LEAVE HER Dave's version

Oh the times was hard and the wages low

Leave her, Johnny, Leave her

But now once more on shore we'll go

And it's time for us to leave her

Leave her, Johnny, Leave her

Oh! leave her, Johnny, Leave her

For the voyage is done and the winds don't blow

And it's time for us to leave her

We'll listen to what the old hands say

Leave her, Johnny, Leave her

Tomorra you will get your pay

And it's time for us to leave her

We'll the old man's a bucco and the mate he's a turk

Leave her, Johnny, Leave her

Th'Bosun's a BASTARD with the middle name of work

And it's time for us to leave her

We'll, there's Postman Pat and his black and white cat

Leave her, Johnny, Leave her

And Yankee Mike the packet rat

And it's time for us to leave her

We'll leave her tight and we'll leave her trim

Leave her, Johnny, Leave her

We'll haul the old girl damned near in

And it's time for us to leave her

And its leave her Johnny while yer can

Leave her, Johnny, Leave her

And it's leave her Johnny like a man

And it's time for us to leave her
