

ROLLER BOWLER (Alternate title: Good Morning, Ladies All)

As I rolled out one mornin'

Hurrah, you roller bowler!

As I rolled out one mornin'

I met a lady fair

CHORUS: **Timme** hey-rig-a-jig an' a ha-ha

Good morning ladies all

And hurrah, you roller bowler

Timme, hey-rig-a-jig an' a ha-ha!

Good mornin', ladies all

I met that girl in Liverpool

Hurrah, you roller bowler!

I met that girl in Liverpool

That saucy girl of mine

Oh, the first time that I saw her

Oh, the first time that I saw her

'Twas down in old Park Lane

She winked and tipped her flipper

She winked and tipped her flipper

She thought I was a Mate

But when she found that I was skint

But when she found that I was skint

She left me standing there

I squared me yards an' sailed away

I squared me yards an' sailed away

And left old Liverpool

The last time that I saw her

The last time that I saw her

Was by the waterside

Oh, you ladies short and ladies tall

Oh, you ladies short and ladies tall

I love you one and all
