

The Black Ball Line

On the Black Ball Line I served m'time
To me, wey hey hey oh rye-oh!
On the Black Ball Line I served m'time!
Hoorah for the Black Ball Line!

The Black Ball Ships are good and true
To me, wey hey hey oh rye-oh!
They're the ships for me and you
Hoorah for the Black Ball Line!

Let's take a trip to Liverpool
To me, wey hey hey oh rye-oh!
Liverpool that Yankee school
Hoorah for the Black Ball Line!

Those Yankee sailors you'll find there
To me, wey hey hey oh rye-oh!
Red top boots, short back hair
Hoorah for the Black Ball Line!

They'll surely find a rich gold mine
To me, wey hey hey oh rye-oh!
Let's take a trip on the Black Ball Line
Hoorah for the Black Ball Line!
